

Manti-La Sal National Forest: How To Comment on Plan Revision

The Manti-La Sal National Forest is in the process of revising the forest plan. The Forest Service values public participation and invites the public to provide input and comments as we progress through the revision process. The 2012 Planning Rule (36 CFR 219) provides guidance for revising the forest plan.

Comments, including anonymous comments, will be accepted at any time. However, comments posted after the close of a designated comment period may not be able to be given full consideration.

Communication from the public regarding this project, including commenter's names and contact information, will become part of the public record.
